

# STUDENT COLLECTIVE FUND

At Jibber Jabber we are committing towards quality productivity tools, making education opportunities accessible for everyone, and to help eliminate the student loans challenge.

As part of our CSR initiative, we would like to introduce the Student Collective Fund, to help to mitigate the social academic problem of limited economic resources that students face at the time of enrolling or cursing tertiary education. The SCF is designed to support students in different ways depending on their specific economic situation and requirements, such as supporting the student in paying a part of the tuition fees, housing expenses, or textbooks costs during a certain period.

The SCF is based on the model of using a portion of the profits acquired through the subscription of Jibber Jabber Calendar App to contribute and support students. Jibber Jabber acknowledges that it retains the discretion to determine the amount of each emergency financial aid grant. It is Jibber Jabber solely right to decide when and how many students will receive the SCF support. Therefore, Jibber Jabber does not commit to a specific number of students per year to be chosen to obtain the benefit. The SCF can be withdrawn at any time if Jibber Jabber deems adequate. Jibber Jabber promotes and supports inclusive education to include all students, no matter their identity, background, or ability as the world seeks to rebuild back more inclusive education systems.

Additionally, Jibber Jabber accepts voluntary contributions from institutions, companies, or individuals to increase the number of students to be funded, use of voluntary contributions will be committed only and exclusively to the SCF and reported back to the contributors. We publish supporter names, excluding the amounts contributed, unless a request is made to remain anonymous.

## **Terms & Conditions:**

1. Students that apply to receive the SCF should be active subscribed users of Jibber Jabber Calendar app.
2. Students can apply from anywhere in the world if they are enrolled in any of the partner educational institutions of Jibber Jabber. (Partner list under development).
3. Student Enrolment Certificate must be submitted with the application form; no applications will be considered if the certificate is not included.

4. Payment of the provided amount will be paid directly to the educational institution to cover the student expenses.
5. Applications will be assessed on an individual basis and will be subject to verifying that the information submitted by the applicant including the Student Enrolment Certificate is validated by the issuing institution.
6. Other academic data provided by the student in the application form will be corroborated with the educational institution where they are enrolled in.
7. There will be a matrix to evaluate the user utilization and performance on the app to be reviewed only by the SCF selection team.
8. Whenever funds are available, students will be contacted via email to inform of the beginning of the selection process. A decision for most applications should be expected within 15 working days, however, if Jibber Jabber requires additional information, this assessment period may be longer.
9. If funded, students are expected to perform with the same level of commitment on its student role and to continue to use Jibber Jabber app for the period that the SCF is provided for.
10. Publicity materials including social media posts, photos, videos, and other materials can be used by Jibber Jabber on the following platforms including but not limited to newspapers, radio, TV, magazines, social media platforms, media publications, website, newsletters, etc.

To apply, a form will be provided to the applicants. Applications require personal and academic data, additionally, it is mandatory to submit the Student Enrolment Certificate from the educational institution that the student is currently enrolled in.

Jibber Jabber commits to not share any personal data of the applicants except for the educational institution that the students are requesting the support as they are part of the evaluation team.

If you think you would like to become a contributor or if you have any questions about the Student Collective Fund please let us know by contacting [challenge@myjjapp.com](mailto:challenge@myjjapp.com)
